THE SOLDIERS' AND SAILORS' RECEPTION AND MEMORIAL COMMITTEE.

THE FIRESIDE

Have you contributed to the Hospital Fund?

Mr. and Mrs. Harold C. Fenno have returned from a two weeks' motor trip through the Berkshires and the Adirondacks.

Among the newcomers in Narberth is Miss Margaret Squier, who formerly resided in Bryn Mawr. Miss Squier will take up the profession of teaching music in Narberth and vicinity. She is organist of the Lower Merion Baptist Church, Bryn Mawr.

Elm Hall can be rented for dances, entertainments and other occasions. Application to be made to Mr. Daniel Leitch, office phone Narberth 398, residence phone Narberth 1245-J; or to Mr. Vincent E. Cunningham, Narberth 649-M.

Mrs. John Wetzel and daughter, and Miss Mary A. Crawford, of 305 South Narberth avenue, are spending a few days in Atlantic City with Mr. and Mrs. William G. Torchiana. The Torchiana family will shortly occupy their new home at Iona and Windsor avenues.

Members of our local fire company are going to raise some money and then the roof; a band concert to be the means of raising the money, and, incidentally, the roof, the idea being that the proceeds of the concert are to be invested in a new roof for the fire house on Forrest avenue.

The Women's Auxiliary of the Narberth Presbyterian Church is engaged in a campaign to collect cast-off clothing to fill its Relief Chest, from which contributions are made to the needy poor of our community and vicinity. Any donations to the cause may be brought to the regular meeting next Tuesday or sent to the home of Mrs. Peebles, 109 Iona avenue.

Would you take a chance on a chicken? If you are inclined to take chances on poultry, members of the fire company are selling tickets for a "turkey raffle," camouflaged as a donation. A 25-cent ticket entitles you to a Band Concert, to be given in the Fire House Hall, Friday evening, November 7, and also entitles you to a chance on three regular turkeys.

Rex Beach's powerful story of the North, "The Girl From Outside," to be shown at the Palace Theatre, Ardmore, on Wednesday, is an adventure tale of the life that gravitates about a new settlement where gold is within the grasp of adventurers, and then the "girl from the outside" and what the girl did, making a most extraordinary entertainment. Rex Beach, the master historian of the North, better than any other man, has sensed its romance in his newest picture, in which he has found a new wealth of possibilities.

Over two hundred names are on the Narberth Honor Roll of service men, and it is believed that the list is not as yet completed. It will be appreciated if service men will send their name, with the number or name of the unit with which they were connected, giving their local address and post office box number, to Mr. Edward S. Haws, our postmaster.

The State authorities are compiling a complete record of Pennsylvanians in the service, and it is necessary that their records be complete.

Tennis Celebration to Be Held Nov. 14th

ENTERTAINMENT COMMITTEE
PLANNING PROGRAM FOR "BIG PARTY" TO BE GIVEN NEXT MONTH — PRESENTATION OF PRIZES TO BE A FEATURE.

All members of the Narberth Tennis Association are urged to reserve Friday evening, November 14. On that date the association will celebrate the recent tournament with a big party at Elm Hall.

Prizes won by the various players in the annual tournament recently completed will be awarded; there will be dancing to the music of a regular zip-bang jazz orchestra, and one or two other surprise features which the Entertainment Committee, under the chairmanship of Robert E. Pattison, is planning.

All in all, it will be a mighty good evening for members of the Tennis Association and their wives and friends whom they may care to bring as guests.

Remember the date—Friday evening, November 14, beginning at 8.15 sharp, in Elm Hall. Make no other engagements for that evening. It is hoped that every member of the association will attend.

BAND CONCERT.

Band concert, under the auspices of the Narberth Fire Fighters, Friday evening, November 7, Fire House Hall. Admission, twenty-five cents. To pay for new roof for Fire Company Building.

WOMEN'S AUXILIARY RUMMAGE SALE.

The rummage sale recently directed by Mrs. D. D. Stickney and Mrs. J. T. Darlington for the Women's Auxiliary will net that organization about two hundred and fifty dollars.

NOTICE.

Ashes will be collected on the North Side on Tuesday and Wednesday, October 28 and 29. On the South Side, Thursday, October 30.

Starting Monday, November 10, weekly collections will be resumed. Schedule of route to be followed will be published in next issue.

C. E. HUMPHREYS,
Street Commissioner.

HOSPITAL FUND.

The total fund of the Bryn Mawr Hospital Maternity Building is \$151,200—only half of the \$300,000 is now needed. The actual drive has stopped, but the committee will continue their work until \$300,000 is raised, as the Maternity Hospital must be built, equipped and endowed, and they will not cease until this is accomplished. It is not necessary that this money be paid now. Future pledges toward Endowment Fund can be paid any time during 1920.

THE WOMEN'S COMMUNITY CLUB TO OPEN SEASON 1919-1920 WEDNESDAY, NOVEMBER 12.

The annual opening luncheon of the Women's Community Club will be on Wednesday, November 12, at 1 P. M., in the Y. M. C. A. All members are urged to keep this date in mind, as the committee in charge earnestly desires a full attendance.

The usual notices will be issued and further details of the program published in a later edition of "Our Town."

EMBLEM OF THE AMERICAN LEGION.

Service Men, Join the Narberth Post of the American Legion Now Being Formed!

Officers.

George O. Smith, Chairman.
Irvin T. Ward, Vice-Chairman.
Harry A. Simpson, Secretary.
H. Newton Compton, Treasurer.

Meetings will be announced through the columns of "Our Town." The men who have served through the war should not lose the opportunity to become members of this organization, as it is an honor for which many would give a whole lot to attain.

Council Meeting

The regular monthly meeting of the Borough Council was held Monday evening, the 13th instant.

Property owners and all whom it may concern should make a note of the fact that these meetings are called for the second Monday of each month. Taxpayers at least would do well to be present when possible. It is an acknowledgment due President Hall and the other gentlemen for the efforts they are constantly and consistently making. Tax collections in September, \$21,980.97.

Treasurer's balances aggregated \$11,891.67.

The Community Club has been requested to co-operate with the Bureau of Markets in respect to public markets in the borough.

The matter of tree pruning is being followed up with Mr. Wohlert.

Temporary loans are to be liquidated to the extent of \$11,700.

The Finance, Police and Health and other committees made reports, which were accepted. Space does not permit details to be given here. That is something we should know about, but miss by our absence at these meetings.

The Ordinance and Law Committee reported a bill, "Providing for the establishment of rules and regulations for the construction of sidewalks, curbs and gutters; fixing the width thereof and designating the materials of which the same shall be constructed."

THE REV. ANDREW S. BURKE.

Rector of All Saints' Episcopal Church, Wynnewood, Buried Monday.

The Rev. Andrew S. Burke, rector of All Saints' Episcopal Church, Montgomery and Wynnewood avenues, who died at his home in Wynnewood, was buried on Monday.

Rev. Burke was ordained in 1911, when he graduated from the Episcopal divinity school here. He was placed in charge of the All Saints' Mission, and when it was made a parish a year ago, he was elevated to rector.

His widow, Mrs. Mary Forbes Fay Burke, and one daughter survive. Arrangements for the funeral have not been completed.

When he assumed charge of the mission, services were held in Mr. Burke's home. He built up the congregation and within a short time a cornerstone was laid for the present church, a stone structure with a seating capacity of 900.

Third Annual Red Cross Roll Call

Annual Event to Be November 2 to 11 to Perpetuate Spirit of Devotion, Service and High Ideals.

This campaign is an annual event, the Red Cross Roll Call, in which the American Red Cross submits its record to the people, and seeks from the people a renewal of their allegiance and a mandate for future activity. The Red Cross needs people quite as much as money, and wants not only your dollar, but your heart and your head, and your service.

During the war the American people contributed nearly four hundred million dollars to war activities through the Red Cross, but many millions of people gave, in addition, themselves in loving labor, and the value of this consecration cannot be computed in figures. Labor is not a commodity, least of all that labor which is prompted by a devotion to a cause. Money given by the American people and administered by American business genius has made the Red Cross a stupendous business organization, but the loyal enlistment of the people themselves has made it a spiritual force difficult to parallel in the history of organized endeavor.

The Red Cross desires to perpetuate this spirit of devotion and service, both for the accomplishment of definite welfare work among the inhabitants of America and for the influence which enlistment in a lofty enterprise exerts upon the minds and characters and social consciences of the workers. The Red Cross needs the American people and the American people need the Red Cross.

Editorial

Today will witness the Welcome Home Reception given to our soldiers and sailors by the people of Narberth. Those who have made it possible for such a worthy affair to be given deserve much credit, and surely their efforts will ever be appreciated by the boys who served their country in the great war just ended.

It is very gratifying to know that the citizens of Narberth, through the Thank Boxes, made this undertaking possible, and consequently a success.

The details of the day will be found elsewhere in the columns of this paper. We should all consider it a day long to be remembered in the annals of the borough of Narberth.

The various activities of our borough are fast shaping themselves. More than ever before we will be kept very busy indeed with the various organizations carrying out their well-laid plans for the coming months, each working for a cause worthy of the support of every citizen of Narberth.

Any undertaking to be successful requires thought and work, and it is only through the efforts of the many that anticipated results will materialize, as one man is quite helpless in any undertaking of a public nature unless

he has the support of many of his fellow citizens.

We need have no complaint for days or evenings of idleness during the coming winter. Our borough is growing very fast, and, naturally, the various activities are growing along with it; consequently, there is work for all of us to do, and it is just the matter of selecting that work in which we can do the most good, then turn in and do our best.

MAIN LINE WALKS AND DRIVES.

To the Editor of Our Town:

In these bright October days the walks and drives along the Main Line are more attractive than ever, in varying color glows in the foliage, and they should be more appreciated as the days of frost and snow draw near.

To those not familiar with them, some outline hints may be welcome. The nearer walks over Woodbine avenue, down Old Gulph road to Mill Creek, the Hopper road, etc., are doubtless known to most. Driving out Montgomery pike, past the forks, and on to Spring Mill road, one turns to the right and shortly enters the domain of the Stoke Pogis Estate of 800 acres, running to the summit of Mount Morro between walks of hedge for a wide view of the valley opening to the Schuylkill, with the "Mount Vernon" house conspicuously on a hill-top. Another road carries you down into a wooded defile filled with unusual rocks.

Continuing on the pike to where the electric roadway crosses it, we turn to the left along a smooth road skirting the valley of the Gulph; then right, then left, through deep shading woods; then right again, and with several other turns we come at last to the estate of Walmarthon (often pictured in the press), with its three lakes, its water wheel, its log cabin, and finally the stately mansion overlooking the upper lake, where neighborhood young people bathe in summer and skate in winter.

Returning to the road first mentioned, we may keep straight across to Old Conestoga road, then over the Church road, which brings us to Old St. David's Church, with its historic associations, where we may well linger awhile. Returning over the Darby road, with its wilder scenery, it merges into Bryn Mawr avenue, lined with cultivated estates.

Another ride is to follow Montgomery avenue to the forks beyond Bryn Mawr, turn left and follow the Roberts road over high land, affording magnificent views. The road is lined with extensive estates. The return by the Conestoga road is over one of the best kept and most interesting of roads.

For varied country and farm views one should follow the extension of Narberth avenue to the Roberts estate of Pennshunt, turn left down the State road into Mill Creek, follow along till the road strikes up into Gladwyne, and over to Spring Mill road, to Morris road, and back by the pike. These roads wind and twist through a beautiful farming country, interspersed with estates that show some beautiful examples of landscape gardening.

Going east from Narberth over Merion road to City Line avenue, and thence to the Schuylkill, brings us to Philadelphia's favorite ride, the Wissahickon and Lincoln Drive, endless in its windings, rich in carefully preserved wild beauty, and ending with scores of well-built modern homes screened with abundant shrubbery. The connecting river and park drives do not need description.

CAMOLEN.

The members of the Woman's Community Club will be pleased to learn that their president, Mrs. C. P. Fowler, has returned from Canada and is now in a position to take up the regular activities for the year.

CUB'S WEEKLY LETTER

To the Editor of Our Town:

Some time ago I called attention to the apparent decline of our famous local debating institution, popularly known as "The Forum." It is now with a heavy heart that I chronicle the verification of my earlier misgivings. To a regular and admiring attendant at the frequent sessions of Narberth's wisewomen this narration of the passing of the Forum is no pleasant task. When looking for light on live topics of the day, such as, say, the Shantung affair, the steel strike, the miracle by which some of our local high fliers run automobiles on wheelbarrow salaries or the real reason for the perpetual youth of Lew Hess' mustache, I had only to slide over to the fire house and propound my question. I never lacked for an answer, believe me.

But what has become of Narberth's Solons? Search me! No more do I see Swan-neck Savill, Roaring Bill Cummer, Count du Marais, Zephyr Cowan, or John, the Battleship Agent, seated at the pinochle table presided over by the world's largest consumer of Sensation Long Cut, the Right Honorable J. Howard Wilson. No more do I hear the eloquent silence of our Street Commissioner, whom I understand is now interested in the dog business, being owner of the Humphreys Kennels, the bane of his neighbors on the South Side. But it gives

me pleasure to sound at least one joyful note in this dirge; namely, that there is one of the immortals left. Yes, one, and he's no small figure in local, and as he would have us believe, national affairs. Of course, you know who I mean—yes, that's right—Charley Noel. Charley simply can't stay away. Night after night he dissects the fire engine—he "fixes" it all right. The fact that these great intellects do not foregather as of old may explain the delay in settling this League of Nation's business. With the Forum gone, where can we turn for counsel? Even Frank Zentmayer, who has to his credit an attendance mark of 100 per cent. for the last twenty years, is a conspicuous absentee. Perhaps Frank decided to get married before his seventieth birthday. If that's the case, however, it would only explain his absence for a short time—married men understand what I mean.

But for every cloud there's usually a silver lining—only sometimes it's hard to find the lining. Ed. Barker—you know Ed.—lives over in one of Narberth's back woods suburbs somewhere. Ed. is full of ideas, but the population of his bailiwick is so small that he has no one much on whom to spring them. So Ed., who likes Narberth, and especially its "Great White Way," feels that the Year Round Home Town should be the first to receive the benefit of his wonderful thoughts, especially so now that Narberth is deprived of the Forum. That's Narberth's good fortune—the silver lining to its cloud as it were. Hence you can see Ed.'s car almost every evening parked in front of Davis' Emporium, where they sell rubber boots, pickles, gum drops, shoe strings, etc. If you look closely, you will see Ed. in the car surrounded by his bodyguard, Joe Barker and Bob Compton. Joe and Bob are very glad of this opportunity to vary their usual evening occupation of leaning up against Howard

Davis' counters after their strenuous labors of the day. This gives Ed. two fine subjects, or rather objects of attack, and a very quiet, although perhaps not what you might term an enthusiastic audience. After Ed. gets well started the audience increases and in a short time a considerable crowd gathers. Sometimes Ed. varies things by blowing the gang to ice cream soda—he does that by way of paying rent for the space occupied by him and his listeners. I am only telling you this because a good many people have asked the reason for the nightly gathering on Davis' curb.

Jack Wetzel, one of Narberth's latest acquisitions, was heard to remark: "Well, after this when we hear a guy say, 'Whattawe goin' t' have, boys,' there won't be any misunderstanding. We'll know he means rain or snow!"

And just then Ray Jones chimed in: "As long as everything else is dry, 'pears like we might as well dry our tears an' make it u-nanny-mous."

Good Work Being Done by Our Shade Tree Commissioners

During the past couple of weeks a lot of excellent work has been done throughout our borough by the Narberth Shade Tree Commission, under the direction of Chairman Wohler. Low hanging tree branches that have for a long time been not only an eye-sore and a nuisance, but a positive menace to the eyesight of pedestrians, have been cut down. This trimming has also improved the general appearance of our various avenues and is a splendid move in the right direction toward beautifying our home town.

The Shade Tree Commission was appointed by Burgess Downes under the authority of an ordinance passed some time ago by Council providing rules and regulations for the care of shade trees within the borough. Under this ordinance plans made by the Commission and expenses contemplated must be approved by Council.

Repair Work Puts Borough Streets in Good Condition

With the exception of Dudley and Conway avenues, between Windsor and Haverford avenues, where the work will be finished as soon as possible, Street Commissioner Humphreys has practically completed the quite extensive program of street repair work mapped out by Council at the beginning of the summer. But for the set-backs in July caused by the rainy weather and the delay in the arrival in Narberth of shipments of stone, the street work would all have been finished some time. Our borough streets are now in really

good condition, and Street Commissioner Humphreys and his men are deserving of congratulations on their work.

There are, of course, sections of some of our avenues that were included in the original repair program, but which, on account of the roadway being in fairly good condition and our borough funds being somewhat limited, will have to go over until next year.

IMPORTANT NOTICE.

Events are crowding each other at our Y. M. C. A. as the fall season of activities commences. It is our desire to afford facilities to all our organizations for their meetings, but it will be quite necessary in the future for all organizations to confer with our General Secretary at the building for reservations.

Time of meetings and demand for rooms must not conflict. To avoid disappointment, please make your engagements with the Secretary in definite form and in time to insure the best of service to all.

The above department should be of the greatest use to the community. The list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
